

CEMETERY DEVELOPMENT ASSOCIATES, INC.

103 HIGHLAND PARK PLAZA COVINGTON, LA 70433-7128 985/893-2108

March 13, 2009

To whom it may concern:

As a professional civil and structural engineer who has worked throughout the country for 35 years in the cemetery industry, it is my pleasure to commend and to recommend Mork Mausoleum Construction, Inc. (MMC) as a mausoleum general contractor. Jim Mork, and his father before him, have consistently provided the cemetery industry with stellar performance as a general contractor in mausoleum construction. MMC is a credit to their profession. I have always found them to be learned, intelligent and easy to work with. Whenever the problems or dilemmas which normally occur during most construction projects arise, they have worked with all parties to resolve them in the most efficient manner. They also know how to review a project and offer value engineering ideas. We have experience working with MMC on dozens of projects throughout the country and have never been disappointed by their professionalism, their performance or their work product. I am delighted to provide this reference.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Larry D. Jones', with a long, sweeping horizontal stroke extending to the right.

Larry D. Jones, P.E.
Secretary-Treasurer
